- E-Mail to:
- Fax to: - -

Movement is valid on the system of state highways under the jurisdiction of the Department of Transportation. The permittee is required to move only on the state routes approved for loads that do not exceed practical maximum weights (see Section 554.604). Before each move, the permittee must research construction zones, posted structures, approved overweight routes, etc... from the following resources: <http://www.dot.il.gov/tpublic.html#truckers>, www.gettingaroundillinois.com. **All movements must be made strictly in compliance with OPER 993 Special Vehicle Movement Permit Provisions applying as if fully written herein.** The permit and OPER 993 provision sheet must be carried in the vehicle and must be available for inspection by police or department officials. The permit may not be transferred, extended or altered. The vehicle may not exceed the posted limit on any bridge.

This form, along with all other Illinois OS/OW permit application forms, is available on the Internet at: <http://www.dot.il.gov/road/trckpmts.html>. Choose pdf format or word format. Adobe Acrobat is required for pdf format. For more information call 217-782-6271.
