Estimated Cost: \$500,000.00

This expenditure is justified as:

- An emergency involving public health.
- An emergency involving public safety.
- Necessary to protect State property from further loss or damage.
- Necessary to prevent or minimize serious disruption in State services.
- Necessary to insure integrity of State records.
- Quick purchase as provided by Section 20-30 (d) of the Illinois Procurement Code.

The conditions and circumstances requiring this emergency expenditure are:

Emergency bracing of the concrete deck beam bridge, SN 027-0046, IL 116 over a drainage ditch, 3.3 miles east of IL 115 , and replacement of three concrete deck beams on the bridge, SN 027-0075, IL 115 over Pelia Drainage ditch, 4.5 miles south of IL 116, both in Ford County. The Department's structural engineers have evaluated the bridges and based on their evaluation the bridge's deck beams must be braced or replaced to maintain legal load carrying capacity.

The emergency declaration is being made to expedite repairs in order to prevent further damage to the structures and maintain normal traffic flow.

Kankakee Valley Construction was the chosen contractor as they qualified and experienced in making structure replacements and repairs. They will be able to mobilize immediately.
