

## EMERGENCY PURCHASES

Emergency Purchase Number **AFF09-09**

Office/Division: IDOT Division of Highways, Region 5/District 8  
Address: 1102 Eastport Plaza Drive  
Collinsville, IL 62034

Responsible Chief Procurement Officer: Gary Hannig, Secretary of Transportation

Vendor: Carl Bannister Excavating Services  
Address: 12295 State Route 154  
Sparta, IL 62286

Estimated Cost: \$165,000.00

**Final Cost: \$87,265.00**

This expenditure is justified as:

- An emergency involving public health.
- An emergency involving public safety.
- Necessary to protect State property from further loss or damage.
- Necessary to prevent or minimize serious disruption in State services.
- Necessary to insure integrity of State records.
- Quick purchase as provided by Section 20-30 (d) of the Illinois Procurement Code.

The conditions and circumstances requiring this emergency expenditure are:

Rising and receding water elevations on the Mississippi River during the June Flood of 2008 has deposited silt in the inlets and storm drainage system along Kaskaskia Street/IL Route 3 truck by-pass around Chester, IL in Randolph County. In addition to the siltation, tractor trailers driving through the floodwaters and over the concrete gutter caused damages to the gutter, inlets, and grates. Determination of funding reimbursement and subsequent on-site field meeting with FHWA resulted in the timing of this emergency affidavit submittal for signature/filing. The proposed work will consist of silt removal from the drainage system and removal/replacement of the damaged gutter, inlets, and grates.

The Department's, District 8 Bureau of Operations did not have sufficient forces and equipment to accomplish the required work. As such, we solicited quotations based on preliminary plan and estimated quantities from five contractors for this work and have selected Carl Bannister Excavating Service, Inc. Carl Bannister Excavating Services, Inc. submitted the lowest quotation, they are pre-qualified, experienced, and have the manpower, staffing, and equipment to immediately mobilize and complete the project.
