Agenda

I. Introductions

Ald. Reilly is likely to open the meeting and invite others to introduce themselves. Jack George will provide other introductory remarks as needed.

II. Design

No formal presentation. Bruce will ask if there are any questions/comments on the design since the last meeting. Stuart Baur will be there with copies of the designs and will answer questions.

III. Traffic

Rob and Peter will walk through the key findings in the CMH-specific traffic study, and will answer any questions related to traffic.

IV. Parking

WHO (Carol, Ron, Scott, Jack?) will lead discussion on parking commitment, acknowledging first draft and sharing rationale behind revised version. Scott will bring copies of revised version.

V. Heliport

No formal presentation. Ted Woosley, Gary Stevens and Ranna Rozenfeld, MD, will be there to answer questions. Susan will bring copies of the Heliport Report and the Off-site Heliport Analysis.
