Dear Mr. Johnson:

Enclosed is your Certificate of Approval to operate the new Hospital Heliport at Ann and Robert H. Lurie Children's Hospital of Chicago. We will submit the FAA 5010 form to the FAA on your behalf, to activate the new Hospital Heliport in the FAA airspace system. You will receive the FAA 5010 form from the FAA to sign and return to keep your Hospital Heliport active in the FAA system. We will re-inspect your facility on a routine basis, and as needed, to insure compliance with Illinois Aviation Safety Rules.

You will find our Heliport Safety Video helpful in training your security, medical and maintenance staff. We encourage using it initially and as recurrent annual training with any employee who is in the heliport environment by job function. The video can be viewed on the internet at <http://www.state.il.us/video/streaming/idot/heliport-safety.aspx>. Please call me at 217-785-4215 or e-mail me at linda.schumm@illinois.gov with any questions or if we can provide further assistance.
