2. **DBE DIRECTORY**

Pursuant to the requirements of the federal regulations, all state transportation agencies that receive federal-aid funds are required to implement a “one-stop” certification process for DBEs. As a result of this requirement, the Department, together with the City of Chicago, CTA, Metra and Pace, has established the Illinois Unified Certification Program (IL UCP).

The IL UCP maintains a Directory to provide a reference source to assist bidders/proposers in meeting DBE contract goals. The Directory lists the DBE-certified firms in alphabetical order with their address, contact information and specialty of work. It is the responsibility of the prime contractor/consultant to make his/her own determination regarding the capability of a DBE firm. Only those firms certified as of the letting date/bid opening may be utilized in meeting a DBE contract goal.

3. **Supportive Services Consultants**

The Bureau of Small Business Enterprises administers the federal Disadvantaged Business Enterprise (DBE) program and ensures that external Equal Employment Opportunity, On-the-Job Training and Labor contract requirements are met. The goal of IDOT’s Supportive Services program is to provide assistance that fosters opportunities for DBE firms and minority and female individuals to participate in IDOT’s transportation-related contracts.

The following consultants have contracts to provide supportive services assistance. These services are provided at no charge to IDOT’s DBE firms, to those firms seeking IDOT DBE program certification, to individual minorities and females seeking employment, to IL UCP DBE-certified firms who have an IDOT contract, and to prime contractors doing business with IDOT.

Management Assistance - DBE firm recruitment, certification application assistance, business plan orientation workshops, business plan reviews and updates, finance, technology, marketing strategy, networking with prime contractors and expanding business opportunities.
