

## GUIDE TO LISTINGS

Projects on the state highway system identified for the FY 2009-2014 Proposed Highway Improvement Program are listed on the following pages. The lists are identified within the department's nine geographic highway districts. The map on page 15 shows individual highway district boundaries.

The following sequence is used within the district project listing:

1. Interstate marked routes in ascending numerical order
2. US marked routes in ascending numerical order
3. Illinois marked routes in ascending numerical order
4. Unmarked routes in alphabetical order by street name starting with numbered streets

The cost of each project is shown in estimated FY 2009 dollars. The actual cost of a project listed for FY 2009-2014 can vary depending on when it is implemented in the multi-year period.

The listing of projects is arranged in seven columns:

<u>Route Street Name</u>	<u>Location</u>	<u>Improvements</u>	<u>Est. Cost</u>	<u>County</u>	<u>MYP Years- Past</u>	<u>MYP Years- Current</u>
