

Under the Illinois Procurement Code, Section 20-25 "contracts may be awarded without use of the specified method of source selection when there is only one economically feasible source for the item. At least two weeks before entering into a sole source contract", IDOT will publish in the Transportation Bulletin a notice of intent to do so along with a description of the item to be procured and the intended sole source contractor.

The following page enumerates sole source procurements the Department intends to make.
