

**SOLE SOURCE PROCUREMENTS**  
**RAILROAD SERVICES**

Under the Illinois Procurement Code, Section 20-25 "contracts may be awarded without use of the specified method of source selection when there is only one economically feasible source for the item. At least two weeks before entering into a sole source contract", IDOT will publish in the Transportation Bulletin a notice of intent to do so along with a description of the item to be procured and the intended sole source contractor.

The following page enumerates sole source procurements the Department intends to make.

**Purchase Number (Section No.)**                      **06R-1-P6**

---

Office/Division:    Transportation - Division of Highways  
Address:             Bureau of Design and Environment  
                             2300 South Dirksen Parkway  
                             Springfield, IL 62764

Responsible Chief Procurement Officer: Milton R. Sees

Vendor:                BNSF Railway Co  
Address:                547 W Jackson Blvd  
                              Chicago, IL 60661

Estimated Cost:    192,494.00

This expenditure is justified as:

- Necessary adjustment of railroad facilities in conjunction with the department's highway project.
- Programmed railroad safety improvements at individual locations in the state.
- Emergency crossing/signal improvements to comply with Illinois Commerce Commission Order(s)

The conditions and circumstances requiring this expenditure are:
