

Offense Code Table																
Element Number	Database Field	Unique	DB Mand	e-Cite Mand	Repeats	ISP Field Type & Length	ISP DB Default	Application Default Requirementts	Attribute Field Name(s)	Owner	Definition	IDOT Data Element	ADR Data Element	Field Values	Validations	Comments
1	oft-CodeID	Y	Y		N	int	next avail			Server	The unique identifier for the offense code			System Generated.		
2	oft-VERSION	N	Y		N	A/N-5					This field represents the version of the Offense Code Table.			Its format is PIC 99V99, the "v" representing the decimal.		
3	oft-CODE	N	Y		N	A/N-7					The offense code number is a unique seven digit code assigned by the Administrative Office.					
4	oft-ADDCHG	N	N		N	A/N-1					This field is an indicator to identify if the offense code is an add or change since the last version.			A - Added C-Changed space - no change		A SPACE indicates that the offense is the same as it was on the previous version.
5	oft-IRS	N	N		N	A/N-20					This field represents the Illinois Revised Statutes (IRS) citation, if any.					The symbols for chapter and paragraph have been eliminated. Fractions have been converted to decimal form. The Offense Code Table citation begins with the chapter number, followed by the paragraph number and subparagraph notations. Upper and lower case characters are shown as they appear in the statutes.
5	oft-CLASS	N	Y		N	A/N-1	cc				This field is the sentence class of the offense as defined in the Illinois Compiled Statutes 730 ILCS 5/5-5 or the Illinois Revised Statutes Ch. 38-1005-5.			M Class M Felony (Murder) X Class X Felony 1 Class 1 Felony 2 Class 2 Felony 3 Class 3 Felony 4 Class 4 Felony A Class A Misdemeanor B Class B Misdemeanor C Class C Misdemeanor P Petty Offense U Business Offense Z Generic Code for any class Q Other		
6	oft-DESC	N	Y		N	A/N-30					This field is a short offense description to be used as a verification of the statute citation.					Descriptive wording from the statutes has been used as much as possible, but abbreviations have been used due to space limitations. An abbreviation dictionary will be provided upon request.
7	oft-ENHANCED DESC	N	N	N	N	A/N-250					This field is an optional description text that will clarify or enhance the AOIC code description.					This field is not maintained or provided by the AOIC.
7	oft-EFFDATE	N	Y		N	A/N-8					This field indicates the date on which the offense code became effective.			The date format is CCYYMMDD.		If this field equals zeros, it means that the offense was in effect at the time of the original Offense Code Table's compilation.

8	oft-INADATE	N	Y		N	A/N-8				This field indicates the inactive date of an offense.			The date format is CCYYMMDD.		An entry greater than zero will appear in this field when the offense code has become inactive as a result of a change requiring a new offense code to be assigned or the section has been repealed. This field will be equal to zeros for all other offense codes. Offense codes with inactive values greater than zero will remain on the Offense Code Table for historical purposes and should be used when the case file date falls on or after the effective date and prior to or equal to the inactive date. This field was previously identified as "repealed date."
9	oft-APR	N	N		N	A/N-1				An "X" in this field indicates the offense requires the defendant to appear under Supreme Court Rule 551.			X Null		It is only applicable to traffic and conservation offenses as defined in Supreme Court Rule 501. The offense code table does not carry an indicator for multiple offenses which require a court appearance under Supreme Court Rule 551.
9	oft-SOS	N	N		N	A/N-1	In Inventory			Indicates that offense may be reported via Automated Disposition Reporting. The Secretary of State will verify the SOS indicator for all new and modified offenses.  Refer to 625 ILCS 5/6-204(a)(2) for offenses reportable to Secretary of State. This field does not identify all offenses required to be reported to the Secretary of State under the Illinois Compiled Statutes or the Illinois Revised Statutes.			T Tape S Supervision C CDL (Commercial Driver's License) M Mandatory Insurance B Driver Services and Mandatory Insurance		
10	oft-BOI	N	N		N	A/N-1				This field indicates offenses reportable to the State Police Bureau of Identification.			A Adult J Juvenile B Both		
11	oft-CASETP	N	Y		N	A/N-2				This field indicates the case type. Case types are identified in the Supreme Court's General Administrative Order on Recordkeeping in the Circuit Courts.			DT DUI Traffic CF Criminal Felony CM Criminal Misdemeanor TR Traffic CV Conservation OV Ordinance Violation J Juvenile Violation JD Juvenile Delinquent ZZ Generic Code for any case type		
11	oft-REMARKS	N	N		N	A/N-30				This field contains notations relevant to public acts, penalty sections, repeal and other miscellaneous information.					
12	oft-LUPDATE	N	Y		N	A/N-8				This is a field indicating the date of the last update to the code in the date format CCYYMMDD. Changes in all data elements of the Offense Code Table will effect this date.					
13	oft-SUFFCK	N	N		N	A/N-2				This field is an indicator specifically used by Cook County.					
14	oft-AOSEQ	N	Y		N	A/N-6				This field is used to sort the offense code table by the Illinois Compiled Statutes.					The number indicated here is not directly linked to the offense code and may be different on a subsequent versions due to re-sequencing.

Illinois Department of Natural Resources (IDNR) Administrative Rules
